

Oak Ridge Public Library Mission

- 📖 To enhance the quality of life in our community by offering exceptional library services.**
- 📖 To provide a continuum of knowledge, making information available in its ever-changing formats.**
- 📖 To collect, preserve and make available the history of our unique community.**
- 📖 To furnish our community with an extensive, easily accessible collection of recreational resources, which combines the best of the old and the new.**
- 📖 To nurture the children and youth of our community by giving them access to the exciting world of ideas.**
- 📖 To address the concerns of library users by listening and responding to their suggestions.**
- 📖 To appreciate the unique qualities of all individuals and to give to each respect, consideration and excellent service.**
